

AUTHENTIC, TRANSFORMATIVE REHABILITATIVE Care

ClearSky Rehabilitation Hospital of Kenosha will provide specialized rehabilitative care to individuals living with disabling injuries or illnesses such as strokes, brain injuries, hip fractures, spinal injuries, Parkinson's disease, multiple sclerosis, or other medically-complex conditions such as COVID-19.

The medical rehabilitation hospital is located at 6308 8th Ave., Kenosha, WI, within the Palmer Tower of Froedtert Kenosha Hospital.

At ClearSky Kenosha you can expect:

Highly Trained Team

Patients set individual goals with a physician-led interdisciplinary team, including physical, speech, and occupational therapists; rehabilitation nurses; case managers; respiratory therapists; dietitians; and other specially trained healthcare professionals.

State-of-the-Art Facility

The hospital features 39 private rooms, a rehabilitative gym with specialized equipment, a dining room on each floor for patients and family members, and activity of daily living space to allow patients to receive therapy treatments in rooms that emulate home conditions.

Integrative Approach

Specialized services, like our comprehensive stroke rehabilitation program, provide the highest, individualized standards of care to each patient. Following a hospital stay, we continue to work with patients to remain partners in their healthcare to allow the best opportunities for recovery.
