

OBSERVATION-STATUS *Referrals*

ClearSky Rehabilitation Hospital of Leesville provides an option for patients who don't meet acute-care admission criteria, yet are unable to return to their homes safely.

We accept patient referrals directly from observation units. This includes Medicare patients, who are not required to have a 3-night hospital stay before receiving our services.

TO MAKE A REFERRAL

Patients eligible may include those with:

- Strokes, with no required interventions and still experiencing deficits
- Inoperable injuries, including orthopedic fractures, that leave patients with functional limitations
- Parkinson's disease exacerbation
- Multiple sclerosis exacerbation

We also can accept patients experiencing:

- Decline in functional independence
- Frequent falls, loss of balance, or stability
- General weakness
- Lack of expected recovery after a recent hospital stay
